Following a winter refurb the Livingston Cricket Club Shop is open again for business. Just click the 'shop' link above and you will be sent to the shop where you can purchase your new Adidas cricket gear with your new Livingston Cricket Club badge embroidered onto it. Our new supplier is All Rounder Cricket.

Your new cap will be given to you once your membership for the season is paid, so existing members will receive their new black caps at the first winter net at the end of February.

About The Company

All Rounder is the new Cricket Equipment Store based opposite Headingley Carnegie Cricket Stadium. All Rounder is unique in that the Directors and Staff are all current or ex professional cricketers. This gives the store a huge advantage in being able to recommend the equipment that can help improve anybody's game. All the kit has been hand selected by current and ex First Class cricketers.

Cricket Equipment

All Rounder Cricket Equipment has a huge range of brands and is committed to carrying large levels of stock at all times. This allows us to deliver website orders within three working days. As well as stocking a full range of Senior and Junior equipment, All Rounder also specialises in boys, small boys and mini boys equipment for budding young cricketers down to the age of three.
