## Join in the fun and form a team for a great new event

Join in a new Fun Event taking place at Livingston Cricket Club from 1pm to early evening on 17th June which is open to teams from Businesses, Clubs, Organisations, Families or Friends. The matches will be played using a "windball" which is a soft ball that doesn't hurt making the game very safe to play. Teams are to consist of 8 players and as this is a mixed tournament a minimum of 2 players need to be female.

Everyone in your team will get a chance to bat and bowl so that they get the full "All rounder" cricket experience! The cost is £40 per team which will also cover a BBQ and beer to

help the good times roll.

Registration of a team is to be made by 10th June at the latest by emailing contact@livingstoncricketclub.co.uk
