

Name the Junior Teams Competition

Written by Paul Burgess

Wednesday, 17 August 2016 19:40 - Last Updated Sunday, 18 September 2016 20:40

Our Junior teams have done well this year but to help them achieve more next year we want the players to feel more of a team and we are today launching a competition to name the teams. We have three teams to name and in order to keep consistency we would like the names to be along a weather theme e.g. "Livingston Lightning". Given there are over 50 words in Scotland for rain there is plenty of scope, but please try and come up with something that will represent action, power and movement, "Dreach" will not be allowed! The teams looking for names are:

Under 13s

Under 11s

Kwik Cricket Under 10s

Send your entries to paul.burgess@livingstoncricketclub.co.uk by 18th September 2016. The winning names will be announced at the Annual Presentation day on 24th September 2016 and a small prize will be awarded to those that send in the best entries.
