Club Presentation Day
2pm - 24th September

Announcement of Junior Team Names and Junior Strategy

The Player's Presentation Day in the new format was a great success. The Windball games were played in good spirits despite the blustery weather and the Chairman selecting a team of ringers including a Ladies Scottish International.

Robert Bowering, Director of Cricket and architect of the new format for Presentation Day, presented to a packed clubhouse, the new Junior Vision and goals. He set out the blueprint for the continued growth of Junior cricket at our club following a successful year.

Thanks goes to our sponsor Turpie & Co

for their production of an excellent brochure to support this initiative. Robert also

announced the new junior team names:

Kwik Cricket - Livingston Sunrisers

Under 11s - Livingston Cyclones

Under 13s - Livingston Thunder

Under 15s - Livingston Storm

The final element of the day was the presentation of the annual awards to the following deserving recipients:

Batting:

Under 13s - Tushar Tomer

2nd XI - Neil Jarvis for the third year running

1st XI - Khasif Khalid

Bowling:

Under 13s - Jaget Tatenini

Club Presentation Day a real success
